International Conference on Advanced Air Mobility Systems

The 'International Conference on Advanced Air Mobility Systems (ICAAMS)' series is a yearly 'Joint VFS Chapters Event'. It now encompasses mainly the new and emerging Chapters in West, Central & Southeast Asia, and the Oceania. ICAAMS Series publishes 'Proceedings' compiling 'Referred Papers' & 'Interactive Workshop Outcomes'.

ICAAMS focuses on the new emerging Aerospace Platforms referred as 'Advanced Air Mobility (AAM) Platforms', covering 'Urban Air Mobility' and 'Regional Air Mobility'. The Scope of the Conference is across Aerospace and Aviation on contemporary topic areas applicable to AAM as follows, with no deviations. Hence. **Abstracts are invited that cover any of these topics only.**

Aerospace

- o Aerodynamics : Transitional flight
- o Structures and Materials : Light-weight
- o Propulsion : Alternate to Fuel including Hybrid
- o Systems : Onboard and Offboard
- o Design: : Multi-rotor or Compound

Aviation

- o Operations : Flight and Ground
- o Airworthiness-Regulations: Operational and Technical
- o Airspace Management : Urban and Semi-Urban
- o Air Transport : Planning and Economics
- o Product Support : MROs and Supply Chain

Conference Schedule

- o Abstract Submission : 01 Apr-31 May
- o Paper Submission : 01 Jul-31 Aug
- o Reviewed Paper Submission : 01 Oct – 31 Oct
- o Paper Presentations : 02-04 Dec
- o Workshop : 05 Dec

Abstract Submission

Link to upload abstracts will be open soon.

As scheduled above (No later than 31 May 26) and on the Format as at Annexure

Abstracts NOT submitted in the given format will NOT be considered.

: Annexure – Abstract Format

Abstracts are to be submitted in Word format (A4 Size, Normal Margins, Arial Font 12 and 1.5 spacing) comprising of three paragraphs only, with not more than 450 words in total, as follows:

Paper Title

Subdiscipline

Topic area

Authors and Affiliations.

Para 1 : Background and Deliverables of the program/project/research

Para 2 : Present progress status

Para 3 : Results and future work schedules

(Supporting diagrams/tables/images may be included as Annexures, duly referenced in the text of the Abstract.)

Subdiscipline

Aerodynamics

Structures and Material

Propulsion

Systems

Design

Operations

Airworthiness & Regulations

Airspace Management

Air Transport

Product Support

Educations and Training

Artificial Intelligence

Topic Areas

Transitional flight

Light-weight

Alternate to Fuel including Hybrid

Onboard and Offboard

Multi-rotor or Compound

Flight and Ground

Operational and Technical

Urban and Semi-Urban

Planning and Economics

MROs and Supply Chain

Diploma and Undergraduate Curriculum

Application areas on AAM Systems

Abstract Total Words

450

ICAAMS-4 – VFS Interchapter Organising Committee

VFS UAE Chapter will host the Conference at Dubai in the American University Dubai Campus, duly supported by VFS Chapters in West, Central & Southeast Asia, and the Oceania.

- Convenor** : Australia – Arvind Sinha
Chair : India - Vijaya Kumar Mudubagilu
Vice Chair : UAE – David Holmes
Deputy Chair : Thailand - Auraluck Pichitkul
Program Chair : India – Bharath Govindarajan
Keynotes Chair : UAE – Wael Baazi
Technical Chair : UAE – Cary Atkins
Sessions Chair : Singapore – George Brian
Presentation Chair : Australia – Aditya Paranjape & Vicky Chang
Workshop Chair : UAE – David Holmes
Webpage Chair : Thailand – Issareepat Kanishthanonda
Advisory Chairs : USA - Mike Hirschberg. Canada - Somen Choudhury
Secretary : India - Ananth Srinivas
Vice Chair ICCAMS-5: Australia – KC Wong and Aditya Paranjape
